Norman K., an independent wealth management platform dedicated to international entrepreneurs and high-net-worth families, announces the opening of its office in Luxembourg, marking a new strategic step in its development. A solid and structured growth trajectory

Luxembourg, a key stage in the company's development

We are particularly pleased to welcome Nicolas L'Hermite and Nicolas Mayer to our teams, whose expertise will actively contribute to supporting and accelerating this growth momentum," said Olivier Liot, co-founder of Norman K.
